We encourage you to read all applicable privacy policies. Also, please read our Privacy Policy from time to time, since we may modify it.

When you visit our website, you may provide us with two types of information: personal information you knowingly choose to disclose, and information that we automatically collect as you browse our website.

### **VOLUNTARY INFORMATION**

We collect and store any information you enter on our website, or provide to us in offline contacts we have with you. Information is collected from visitors in areas such as inquiry forms, order forms, and email. This may include your contact information, billing information, and preferences regarding the products for which you desire to register. User profile information is stored and used by Mila International for internal and market research purposes only.

We may make chat rooms, forums, message boards, and/or news groups available to our users. Please remember that any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose your personal information.

### **INFORMATION COLLECTED AND STORED AUTOMATICALLY**

When you browse our website, our servers automatically recognize the browser's domain name and IP address. We may track the time of your visit, the web pages you visit and other click-stream data. The only other type of information automatically provided to us is the type of computer, operating system and browser you are using. This information is provided by your browser, which we use to improve our site and better tailor it to meet our users' needs.

Your browser may store small data files, called "cookies," in your computer's hard drive. These cookies automatically identify your browser to our server whenever you interact with the website. We use the cookies to record website statistics. We also use this information, and other information we obtain from your current and past activities on this website, to troubleshoot problems, to enforce our Terms and Conditions of use, and to make available to our users additional services which may be of interest to them.

If we receive a subpoena or similar legal process demanding release of any information about you, we will generally attempt to notify you. Except as required by law or as described above, we do not share information with other parties, including government agencies.

We may share information with third parties which is based on our experiential or other data which does not personally identify any of our users. This may include such information as product or service preferences within certain sectors of our user base for instance.

We may disclose your information to service providers who assist us in operating the website or conducting our business. We may also share such information among our subsidiaries and affiliates as necessary to provide you with the information and services you request or in which you may otherwise be interested.
