

STEP 2: CLEANING

Gently clean the countertop and the sink rim to remove dirt, oil and contaminants from the surfaces. Do not use any abrasive cleaning solutions that may damage the counter top surface or sink.

1. Clean the top of the countertop

2. Clean the underside of the sink frame

STEP 3: PRE INSTALLATION PREPARATION

STEP 3A: SINK ALIGNMENT

Carefully place sink on the counter top and align it correctly ensuring that it sits square and at the final installed position.
